

Judicial Nominating Commission Background Check Fee

Proposed Fee: All applicants for Judgeships must undergo a credit check when submitting their applications. The Governor's Office has designated CCJJ as the agency responsible for staffing the Judicial Nominating Commission (JNC). One of the established criteria is to conduct a credit check on all Judicial Applicants.

Purpose of the Fee: The review of Judicial Candidates is the service being provided by CCJJ for the Governor. The customer paying the fee is the individual who is applying to be a judge. The fee is not voluntary for someone who wants to become a judge.

Fee Calculation: The cost charged by the Credit Report Agency to conduct the credit check is a maximum of \$10 per applicant.

Extraditions Restitution Payments

Proposed Fee: When an individual has been extradited back to Utah, the judge may order the individual to reimburse the State for all or some of the travel costs related to their extradition.

Purpose of the Fee: The felon is the one who will be paying this restitution, if so ordered by the court. It is not voluntary, but court ordered.

Fee Calculation: As ordered by the court based on actual extradition costs.

Annual Victims of Crime Conference Donations

Proposed Fee: The Annual Victims of Crime Conference purpose is to provide training and insight to the needs of victims and the providers which service them throughout the State of Utah. This conference is an opportunity to bring everyone together and to network as well as learn from the successes in helping victims from different agencies, individuals and in the lives of victims of violent crime. This fee will cover the cost of the conference.

Purpose of the Fee: The service being provided is training, networking, and learning. The customer paying the fee is anyone who chooses to attend and the fee is not voluntary if someone chooses to attend the conference.

Fee Calculation: Donations from various public and private organizations are collected to support the conference. Office of Victims of Crimes solicits and receives various donations to support the Annual Victims of Crimes Conference.

Annual Victims of Crime Conference Fees

Proposed Fee: The Annual Victims of Crime Conference purpose is to provide training and insight to the needs of victims and the providers which service them through out the State of Utah. This conference is an opportunity to bring everyone together and to network as well as learn from the successes in helping victims from different agencies, individuals and in the life's of victims of violent crime. This fee will cover the cost of the conference.

Purpose of the Fee: The service being provided is training, networking, and learning. The customer paying the fee is anyone who chooses to attend and the fee is not voluntary if someone chooses to attend the conference.

Fee Calculation: Donations from various public and private organizations are collected to support the conference. Conference fees cover the balance of the costs related to this annual event. It is estimated that costs for someone to attend is \$150 for a full conference. The fee can be adjusted for early registration, or for partial conference attendance.

Utah Victim Assistance Academy

Proposed Fee: UOVC provides financial and programmatic oversight to the Utah Victim Assistance Academy, a 40-hour course of study on victimology, victims' right and victim services. The Academy provides standardized, comprehensive training for those providing direct assistance to crime victims with the goal of improving the quality and availability of services to victims of crime.

Purpose of the Fee: The service being provided is training, networking, and learning. The customer paying the fee is anyone who chooses to attend and the fee is not voluntary if someone chooses to attend the conference.

Fee Calculation: Conference costs are tabulated based on the time and location where the conference will be held. Seating is limited to 50 individuals. \$600 per attendee is the maximum used to calculate the fee to be charged to the participants, and can be adjusted according to meeting location and other circumstances.

Conference Registration

Proposed Fee: With the Governor's SUCCESS Initiative all agencies are working with Operational Excellence Consultants to find efficiencies within their agency. This conference is an opportunity to bring everyone together to learn more about efficiencies as well s to network and learn from the successes and failures of different agencies. This fee will cover the cost of the conference.

Purpose of the Fee: The service being provided is training, networking, and learning. The customer paying the fee is anyone who chooses to attend and the fee is not voluntary if someone chooses to attend the conference.

Fee Calculation: The fee was determined by taking the actual cost for an individual to attend the conference and then subtracting off a portion. GOMB feels it is important to have individuals from state agencies attend the conference and therefore is willing to pay a portion of the actual cost per individual. It is estimated the actual cost for someone to attend is \$110/day.
